

## **SINTOLUX TECH FE 5W-40**

*Ultra High Performance fuel-economy Synthetic engine oil for light vehicles.*

### **APPLICATIONS**

**SINTOLUX TECH FE 5W-40** is suitable for passenger cars and light duty vehicles with gasoline and diesel engines, with or without turbo. It has been developed in particular to fit Mercedes & PSA gasoline engines, but also other car manufacturers' engines. It offers good cold start as well as high thermal stability in hot temperatures enabling fuel savings in all conditions.

### **BENEFITS**

- Increased Fuel savings
- High thermal stability
- Low oil consumption thanks to low evaporation loss
- Good cold start performances and very good engine cleanliness
